

"Osoyoos Lake – the Heart of the Watershed"
April 28th-30th, 2022
Sonora Centre, Osoyoos, B.C.

Call for Posters

Posters session overview:

An opportunity is available for participants in the Osoyoos Lake Water Science Forum (OLWSF) 2022 to present ongoing projects/new work in a poster session on April 29th and 30th.

Poster presenters are expected to bring their printed posters and handouts (if desired) and stay during the poster sessions. Attendees will browse among the posters and speak directly with the presenters, during breaks and lunch time during the 2-day forum. Thus, the posters session is intended to be informal and conversational.

Posters Submission Request

If you are interested in presenting a poster at OLWSSF 2022, please contact the Forum Coordinator Carolina Restrepo-Tamayo at Carolina.Restrepo@obwb.ca with the subject "OLWSF Poster" on or before **DECEMBER 1ST 2021**, Your submission to Carolina must include:

- The poster title;
- The authors and their affiliations; and
- a 300 word (maximum) abstract

Posters should report findings relevant to the Okanagan/Okanogan watershed, and ideally be focused on Osoyoos Lake.

The Forum Program Committee will evaluate poster submissions received by the deadline, and invite successful authors to prepare and present a poster at the forum.

Poster presenters are invited to join the Forum welcoming reception on April 28th.

Topics of interest examples:

- Indigenous water/watershed management
- Invasive aquatic species
- Biodiversity
- Water conservation
- Water quality and supply
- Climate variation
- Drought management
- Fisheries recovery
- Environmental restoration
- Fish tissue contaminant testing
- Groundwater
